About This Game

Paint your own path in The Painter's Apprentice!

The Painter's Apprentice is an action-packed, 2D platformer where you must travel through treacherous levels and uncover the secrets behind the world.

Explore art worlds, battle paint blobs of all sizes, acquire new skills and discover hidden secrets while you try to make your way back home and prove that you're ready to become a Master Painter.

Features

- Seven worlds, each based on a different art style
- Unlockable encyclopedia entries of famous artists and paintings for each style
- Unlock new skills and upgrades for the apprentice
- Complete challenges to receive gold stars

the painter's apprentice charlotte betts. the court painter's apprentice. master painters apprentice of the year. the painters apprentice. the painter's apprentice game. the painter's apprentice laura morelli

I really like the fact that you can visit different eras in art. I only finished 4 worlds but some levels were harder than dark souls. It is an enjoyable game and I can't wait to speed run the hell out of it.. Cute game! Tight controls, lovely art.
